Eltrona Business Access

The Benefits Start Here

Eltrona is the only operator in Luxembourg offering up to 1 GB/s speeds in 85% of the country using our own network.

Eltrona Business Access is a straightforward Internet subscription that meets the high-speed connection needs of SMEs in Luxembourg!

Choose Eltrona's high speed Internet and get your connection installed within 6 days of signing your contract so you can benefit from the following services quickly and easily:

Up to 1 Gbit/s download speeds

8 Hour Time-to-Intervention SLA

Unlimited download volume

Dedicated helpline

Professional WiFi diagnosis and WiFi 6 technology

Expert diagnosis of your internal cabling

Fixed IP address (IPv4) included

WiFi Diagnosis

Included in your Business Access
Offer until June 30, 2022

(79€ value)

A powerful WiFi network made easy

If you need the highest speed WiFi in every corner of your business, choose Eltrona Business Access and receive a professional consultation from one of our experts to help you optimize your WiFi reach.

Simple

Your devices will automatically connect to the strongest WiFi point in your place of business.

Fast

WiFi points are expertly distributed so that each connected device works at optimum speed.

Everywhere

Your WiFi 6 devices are ideally placed so your connection is available in every corner of the business.

The first consultation includes installation of WiFi boosters and devices if needed and purchased on-the-spot by the customer. Any requested follow-up visits will be charged based on the price list in use.

Why choose Eltrona ?

Get the internet setup you need to supercharge your business

Accessible

Wherever you are in Luxembourg, our highspeed network is within reach.
